# Europa-Park Indians board the CS Ranch

**>> Today and tomorrow, the Europa-Park [SVAG CS Classic 2013] dancers and artists will be on stage at the SVAG CS Classic in Givrins, Switzerland.**

As it is already part of our SVAG CS Classic, the artists from the famous Europapark in Rust will again demonstrate their skills – and especially children will for sure love it! A little sketch here, a funny show there, and a lot of laughter around our Ranch.

Today and tomorrow, „Oberhäuptling Otto“ will surprise little and grown-up spectators with his animation, and his colleagues will perform shows on-site and jonglage. The funny „Euro-maus“ will be all over the place, and as usual, we can never predict what comes in the mind of all the guys.

**In the Arena**, Europapark will stage a freestyle-dressage and do vaulting, and **Indians** will board the whole event...

Tomorrow, the artists will of course entertain the house again – plus, we will have a special guest on the CS Ranch: Charlie (Chaplin) certainly knows how to make everybody smile!

Europa-Park – Germany’s biggest theme park – proposes over 100 thrilling attractions and international shows for the whole family on an area of 85 hectares. Up to 40 daily shows take place at Europa-Park on the uncountable stages of the 13 European themed areas.

More than 150 international artists, dancers and acrobats, coming from 20 different countries, are working at Europa-Park during the season and guarantee high-quality shows.

# Cosmai Caffè, the official SVAG CS Classic coffee

>> Nilo and his Team smiling on behalf of Cosmai Caffè

As the SVAG CS Classic opened the doors to the horses and riders, Nilo opened the doors of the **CS Ranch Paddock Club** thanks to the generous sponsorship of Cosmai Caffè, owned by Vincenzo Cosmai of Italy.

Originally from Montenegro, but based in Switzerland for most of his

life, Nilo has been in the restaurant business ever since he graduated in hotel management in Lausanne. Along with his brother Stefano, he owns and runs two Italian restaurants in Bern: 'Luce' and 'Il Grissino'.

*„It is a pleasure and an honor to be here at the CS Ranch along with my*

*team promoting Cosmai Caffè,” says Nilo. „I met Micheal thanks to one of my passions, motorbikes, through a friend of ours, Rolf Glauser.*

*One thing lead to another and one evening, in my restaurant, we started talking about Italian coffee, the real one. Since I am the exclusive importer for Switzerland of Cosmai coffee, the idea of promoting it during the SVAG CS Classic came up. Vincenzo agreed and here we are!”*

Nilo is also keen on horses and thanks to the Schumacher's he became acquainted with Reining horses. *„It's all about horse power, just as in motorbikes,”* says a smiling Nilo. *„I have two daughters, Jennifer and Cindy, and am now introducing them to the world of horses through a stable that owns ponies. Who knows, maybe one day we'll see one of them riding a reiner!”*

✓ *Cosy atmosphere in the CS Paddock Club while the Reining Competition is running in the Arena.*

## Action moves at the CS Ranch:

>> The 2013 edition of the SVAG CS Classic kicked off today at the CS Ranch. It is now the eighth year that the Swiss facility is hosting the most prestigious Reining Show in Switzerland.

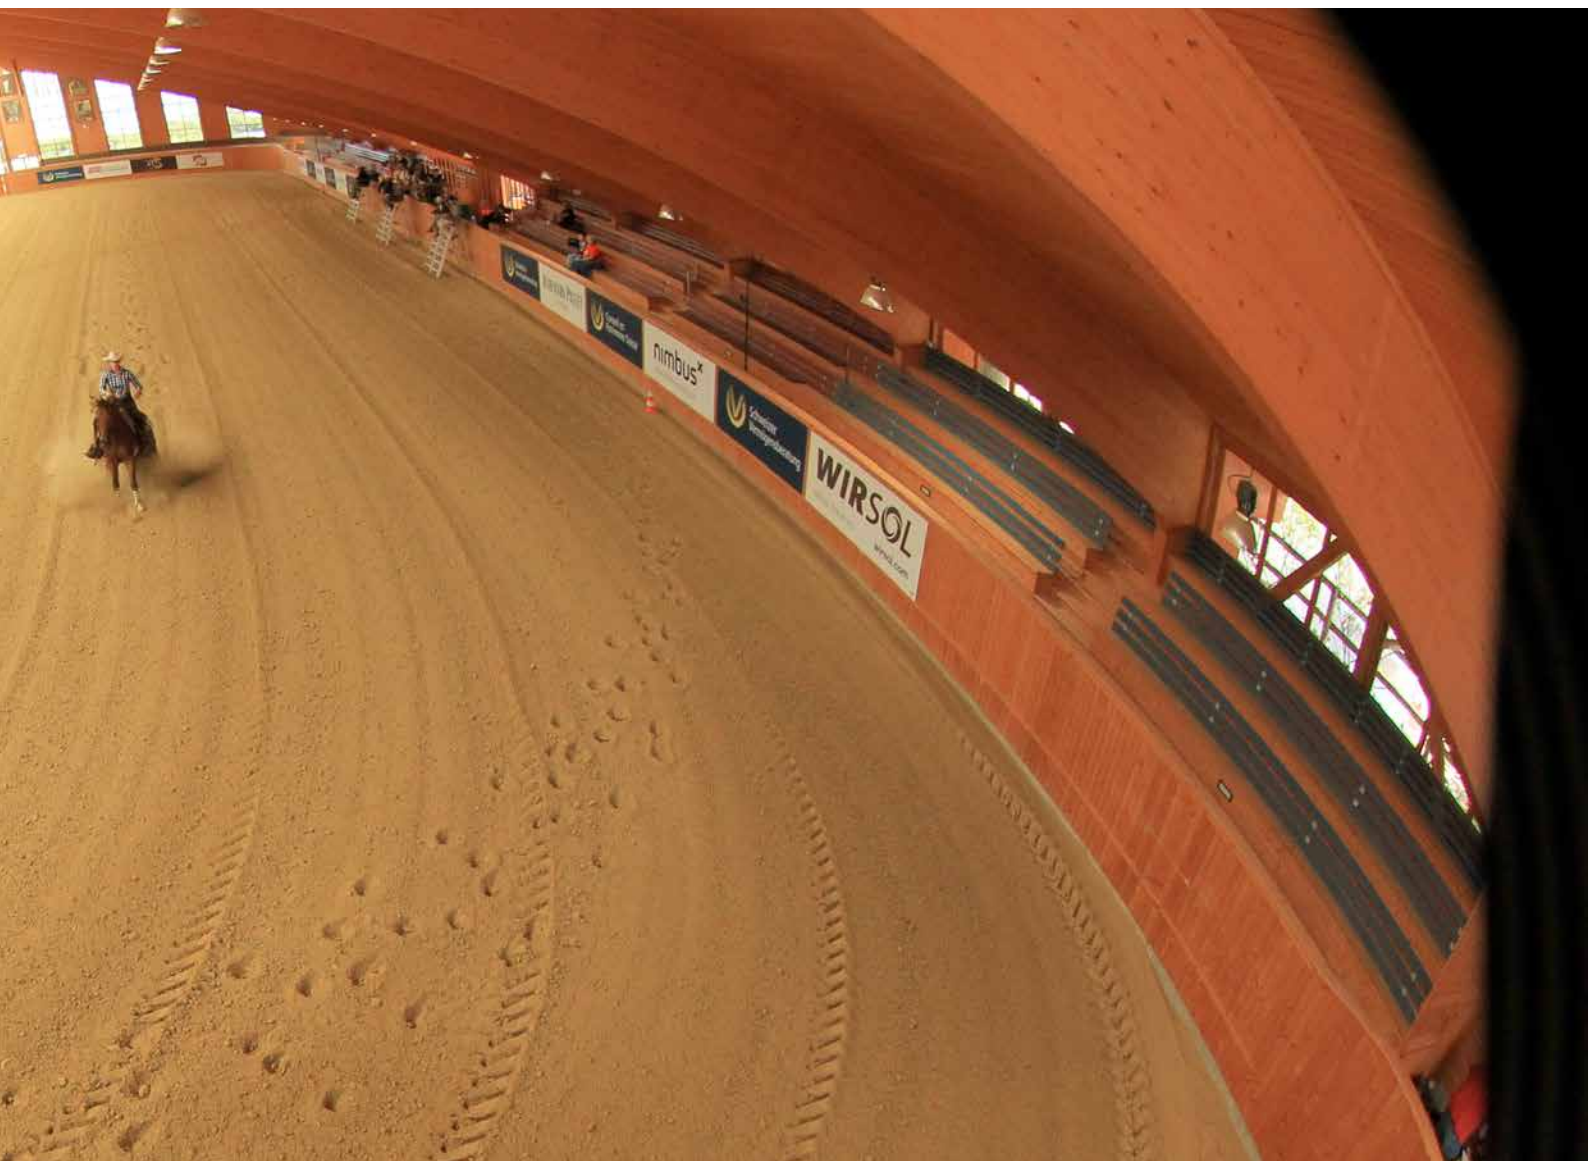

>> Jennifer Schleiniger and Masked Gunman

Opening the competition today was the **\$3,000-added NRHA Intermediate Non Pro**. Taking the win was **Jennifer Schleiniger** of Switzerland riding her **Masked Gunman**, a five-year-old Quarter Horse stallion by Gunner and out of Starmax RM.

Jennifer started showing in NRHA competition in 2011 but she's no stranger to the pen having shown in AQHA competition ever since she was 18. Jennifer purchased Masked Gunman from Alessandro Pollarini of

Italy last year in August and started showing him in March this year. „This is just great and I am so happy,“ said the thirty-year-old rider from Switzerland. „Last year I was looking around for a new horse with my trainer Annika Frisecke and we went to Grischa Ludwig's place. There I saw a Gunner and really liked him so I told Grischa that I was looking around for a horse like him. He found one in Italy that according to him fit my needs so Annika and I drove to Italy to look at the horse and I fell in love with him

*immediately and took him home. Before coming here I showed him twice in Mooslargue, France, and once in a small show here in Switzerland, so this is actually my first major win and I'm thrilled. Since I haven't been showing him much, we haven't really made plans for the future, we'll just wait and see what happens!"*

A half a point behind the winner, second place honors went to Italian **Roberta Gianformaggio** riding her **Top Of The Top**, an eleven-year-old Quar-

ter Horse stallion by Surprise Enterprise and out of Jackie Cody Pine.

Claiming both first and second place honors in the \$5,000-added **NRHA Intermediate Open** was **Quentin Galliere**. The Belgian rider based in France scored a 216 for the win riding Piet Mestdagh's **Rs Polyphemus Jac** (RS Great Jac Feona x Harlan Glo), a seven-year-old stallion bred by Claudio Risso of Italy. **Galliere** placed second on another Mestdagh owned horse, **RS Spat Man O War**,

a five-year-old stallion, also bred by Risso, by Spat Olena and out of RS Hollywood HGLO. *"I'm really happy with the way both horses went today,"* said Quentin. *"Piet bought them both from Risso and they have both been doing well with him and with myself. With ,Polyphemus' I won the French L 2 Open Derby and was reserve in L 4 last month. RS Spat Man O War is actually Pete's horse and he is standing fourth in the NRHA Non Pro rankings. Next week he'll be showing him in the NRHA European Affiliate finals."*

## SVAG CS Classic 7 & up Non Pro

It took a 222 to win the \$1,000-added **NRHA 7 & Up Non Pro class** and that is exactly what **Gina Maria** of Switzerland, riding **Gunners Enterprise** (Gunner x My Royal Enterprise) scored.

*„This is the highest that Gina has ever scored,”* said an enthusiastic Shauna Larcombe, Gina Maria’s trainer. *„The idea today was that of a schooling run, since we’ve been working mainly on Gina’s confidence in the pen and it worked. Both Gina and I are really happy that it was ‘Digger’ that rode her to this score since this is the fourth year that Gina has been showing him and he’s always been there for her. I am very proud of them both.”*

In second place was **Piet Mestdagh** riding his **BH Most Wanted**. Aboard the seven-year-old stallion by Mr BH Jac and out of Tuckers Missy, Piet scored a 219.5.

## SVAG CS Classic 7 & up Open

Two riders tied to win the \$2,000-added **NRHA 7 & Up Open** with a score of 219.5: **Cira Baeck** riding Ruediger Diedenhofen's **Bubblicious Gump BB** (Little Gump x Shanaya Whiz) and **Bernard Fonck** riding Dany and Mireille Cerato's **Sail On Top Whizard** (Whizard Jac x Miss N Sis).

Both Belgian riders are past multiple NRHA World Champions and Fonck is an NRHA Million Dollar Rider. For Cira the win was particularly sweet for two reasons, the first being that she unofficially surpassed the \$500,000 mark in NRHA competition and the second being that the Baeck's bred the seven-year-old mare she tied to win on.

*„I showed this mare as a three-year-old in the futurities and then her owners took her home and just trail rode her until last year when they decided to bring her back to me in training. She's really sweet and I was really happy with her today,”* says Cira.

Just as happy with his horse was Fonck: *„I will be showing Sail On Top Whizard in the \$30,000-added Open on Saturday so today I just didn't want to ask much from him. As always he performed well for me.”*

Fonck also slid to third place with a 218.5 riding BVBA Van Roosbroeck & ZN's **Cattlemans Cash** (Wimpys Little Step x Trophys Peppy Jay).

# XCS Horse Blankets, designed to make a difference

>> High functionality, perfect fit and a luxurious look

Besides training and breeding Reining horses, Corinna has also set up a new business and designs and produces Horse Blankets where she demands uncompromising comfort and absolute functionality. Her XCS horse blankets combine innovative high-tech material with high-class design and a sophisticated style: XCS, extremely innovative, technical and clever. XCS horse blankets impress through the elegant, comfortable and breed orientated perfect fit.

Introducing... XCS Horse Blankets.

What was originally thought for own use, has turned out to be a sensation in the world of horse lovers. A new introduction which stands for excellence and professionalism, a product range devoted to the well-being of horses. On her CS Ranches in

Switzerland and USA Corinna impressively demonstrates that her credo – only the best for a horse – is not only a lip service.

*“At our ranches we observe daily how horses take profit from good life conditions, especially concerning their performance capability”, she says. “Being a passionate rider, I know*

*what I am talking about. I have often been irritated by blankets which did not keep what they had promised. I wanted blankets which would transfer sweat to the outside and who were really breathable and would regulate body temperature, which had a good fit and would not slip out of place; just really new technical solutions for these wonderful animals.”*

XCS offers a new and higher level of quality, materials and the best relationship from form to function – designed and made by committed experts.

Quality inspired by  
CORINNA SCHUMACHER
