## A VERY WARM WELCOME!

This year's **SVAG CS CLASSIC** is completely surrounded by the number "10", and that makes us speechless: 10 years ago we held this show on the CS Ranch for the first time under the title "CS Classic".

*10 years of competition, 10 years of Reining sport class A, 10 years of fun, 10 years of excitement. 10 years of the **SVAG CS CLASSIC*** – one more reason to make the show week an experience for all of you. We wish all riders and relatives great success and that they can have some fun in addition to tough competition.

Reining is a wonderful sport. Apart from love for the horse, it also requires discipline and training, but also sensitivity, sensitivity and team spirit.

Fall in love with the horses and the sport as we have done long time ago, and enjoy beautiful and spectacular days at the CS Ranch in Givrins.

***Celebrate a nice anniversary with us!***

## EIN HERZLICHES WILLKOMMEN

Die diesjährigen **SVAG CS CLASSIC** stehen ganz unter der Zahl „10“, und das macht uns selbst sprachlos: vor 10 Jahren haben wir diese Show auf der CS Ranch zum ersten Mal unter dem Label „CS Classic“ ausgetragen.

*10 Jahre Wettkampf, 10 Jahre Reining sport der Güteklasse A, 10 Jahre Spaß, 10 Jahre Spannung, 10 Jahre **SVAG CS CLASSIC*** – ein Grund mehr, die Show-Woche für Sie alle zum Erlebnis zu machen. Allen Reitern und Angehörigen wünschen wir gutes Gelingen und daß sie neben hartem Wettbewerb auch noch etwas Spass haben können.

Reining ist ein wunderbarer Sport. Er erfordert neben der Liebe zum Pferd Disziplin und Trainingseifer, aber auch Feingefühl, Sensibilität und Teamgeist.

Verlieben Sie sich mit uns in die Pferde und den Sport und genießen Sie schöne und spektakuläre Tage auf der CS Ranch in Givrins.

***Feiern Sie mit uns ein schönes Jubiläum!***

## SOYEZ LE BIENVENU!

C'est le chiffre « 10 » qui, cette année, marque notre **SVAG CS CLASSIC**. Et nous n'en revenons pas nous-mêmes, car c'était il y a 10 ans que nous organisions ce show pour la 1ère fois au CS Ranch, sous le nom de CS Classic.

*10 ans de compétition, 10 ans de Reining de top niveau, 10 ans de plaisir, 10 ans d'excitation. 10 ans de **SVAG CS CLASSIC*** – une raison de plus pour vous faire vivre une semaine mémorable. Nous souhaitons à tous les cavaliers et à leurs proches un très bel événement et, au delà d'une compétition serrée, beaucoup de plaisir!

Le Reining est un sport merveilleux qui, au-delà de l'amour pour les chevaux, exige aussi de la discipline et de l'entraînement, mais également de la sensibilité, de la finesse et un certain esprit d'équipe.

Tout comme nous, laissez-vous séduire par ces chevaux et par ce sport et venez passer avec nous des journées spectaculaires au CS Ranch de Givrins.

***Célébrons ensemble ce jubilé!***

# Celebrating 10 years of great reining!

*By Simona Diale*

Born through the love for reining, the CS Ranch in Givrins, Switzerland, has been the stage of many an important reining competition on the international stage which includes not only the prestigious **SVAG CS CLASSIC**. The beautiful and functional facility has also been host to the FEI World and European Reining Championships (for Seniors, Juniors and Young Riders), the NRHA European Reining Championships and the **SVAG CS CLASSIC** Maturity.

The medals, trophies and high added money offered thanks to the generous sponsorships throughout the years have been a major attraction to the best of the world's reiners. What has made the events all the more special to those in attendance is the love and care for the horses that has always been paramount to the Schumacher family and which can be felt as soon as one first steps beyond the gate.

The very first edition of the **SVAG CS CLASSIC** was offered in 2009 and immediately attracted the attention of reining fans. With an important purse offered in both the Open and Non Pro competition, the show attracted the best horses and riders at all levels – and rightly so! The **SVAG CS CLASSIC** has since become a decisive show to compete in for those vying for the NRHA World Championships from the very first edition where the Open was won by NRHA Million Dollar Rider Bernard Fonck aboard Nicky Nietvelt Van Tendeloo's BA Reckless Chic with an impressive 227.5. In total, the Belgian professional who today boasts over \$1,800,200 won in NRHA competition, won five CS Classic titles along with five NRHA Open World Championships; two aboard Great Sun Burst and three riding What A Wave.

## BEST PERFORMANCE

Another NRHA Million Dollar Rider, Canadian Cody Sapergia, also went on to win the 2013 World Championship with Nu Chexomatic for owners Jac Point Quarter Horses after taking home top honors in the CS Classic Open. Italian professional Gennaro Lendi rode Roleska's RR Hi Ho Star to the Reserve World title following his CS Classic win. In the nine years the Classic has been offered, eight of the Open winning scores were above a 222.5 score reaching a peak in 2015 where it took a 228.5 to win.

In Non Pro competition, the story unveils in much the same way. Of the seven horse-rider-combinations who rode to the winner's circle in Givrins from 2009 to 2016, Italian Manuel Bonzano rode Great Sun Burst to two Non Pro World titles and High Point Reiner to one; Germany's Gina Schumacher and Gotta Nifty Gun won a World and a Reserve World Championship; Austria's Tina Kuenstner-Mantl reined her way to the World Championship aboard her Cashn Rooster and the winner of the very first edition, Italian Claudio Riso, rode to the Reserve World title riding his own RS N Oregon Jac, aka 'Vobinda.'

Though the focus was inevitably on the Open and Non Pro competition, the full-slate of NRHA classes offered every year at the CS Classic have also contributed in the making of champions such as Intermediate Open World Champions Stefano Ferri and DJ Ruf, Markus Schoepfer and Jokin Whiz, Guglielmo Fontana and The Genuine Rooster and Dario Carmignani and RS Nebbiolo Blu.

## HOME TO FUN

The **SVAG CS CLASSIC** has not only been about the great ground and arena, the professional environment that welcomes trainers and riders of all levels alike. It has been home to fun and camaraderie, with the trademark CS Ranch parties, the side-attractions offered, freestyle reining and the first official para reining class – not to mention the unforgettable VIP Celebrity Reinings. VIPs, horse owners and trainers alike always gave their best which resulted in spectacular rides to remember such as the 2012 edition where renowned singer Sarah Connor riding Cruisin In Starstyle ‘cruised’ to a 237 score! A half-point behind, host Michael Schumacher captured reserve honors riding Gunners Enterprise. The crowd was ecstatic! Some performances – though scores may not have been as high – were ecstatic in a different way and just as much fun for all.

It goes without saying that the **10th Anniversary** of the **SVAG CS CLASSIC** is worth to come – in any case, make sure you follow the action live on [www.showmanager.eu](http://www.showmanager.eu) (live score) or on [www.mpvideo.de/livestream](http://www.mpvideo.de/livestream) (live stream).

Une carte inspirée de l'idée de partage, d'authenticité, d'une cuisine « Fait Maison » que l'on aime accompagnée d'une belle bouteille. # The SVAG CS Classic

## PASSION & PROFESSIONALISM COMBINED

A show full of passion for horses and sport, yet with that warm and classy touch that defines the fine line to make everybody feel at home immediately, the **SVAG CS CLASSIC** has settled its reputation in the world of equestrian sport in both Europe and the US.

Corinna Schumacher and her team seek for harmony and cooperation in the world of horse lovers, and we regard it as both a compliment and consequence that the CS Ranch is hosting the FEI World Championships for Young and Junior Riders and the FEI European Championship for Senior Riders under the umbrella of the established **SVAG CS CLASSIC**.

The Team of CS Ranch share Corinna's attitude by trying to constantly improve their daily work at the Ranch as well as the **SVAG CS CLASSIC** Show. The ambition of show-manager Eric Obrecht is to each year increase the level of quality – and, frankly, he manages to achieve not only that, but also to establish the show in the area. There are more and more non-specialized spectators from the villages around entering our Ranch and the Arena, and they are as welcome as the Reining crowd.

**Reining is the most known and loved discipline in western horse riding but still has a long way to go to be known by a wide and general public. When watching the patterns and how seriously the rider and his horse are fighting to compete well, the spectators understand how much constant and precise work is required.**

As Corinna would describe it: „We have a great respect for everybody who gets into this. There is a lot of work involved, plus a lot of team-work with your horse. This is not about dominating the animal, this is about being a team. Among the Reining riders, everybody has admiration for the efforts of the others, and both for this attitude and the hard training I strongly believe Reining has deserved to be considered a serious competition.“
